SmartPage

App store for *smart contracts*

The image shows a software interface for SmartPage. On the left, a modal window titled "Smart Contract" displays a grid of UI components: additem, tip, Container, Grid Row, Html Button, Button Group, Button Toolbar, Heading, Image, and Jumbotron. On the right, a preview of a web page titled "My Work" is shown. The page features a grid of 12 images related to travel and adventure. A call-to-action button at the bottom left encourages users to tip: "B / u S a" and "If you enjoy my work, show your love by tipping me! ❤️". To the right of the preview, there are tabs for "Content", "tip", "Value", "General", and "Style", with "tip" currently selected. A sidebar on the far right shows fields for "Content", "tip", "Value", "General", and "Style".
